

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 28, 1996

SUBJECT: **SB 2690 - HB 2615**

This bill, if enacted, will prohibit mobile homes from being moved on public roads or highways until the owner has provided evidence of payment of property taxes. The bill provides for a \$5 processing fee to be paid to the county clerk. Violation of the provisions of the bill will be a Class C misdemeanor.

The fiscal impact from enactment of this bill is estimated to be an increase in local government revenue of \$150,000. This estimate assumes 30,000 mobile homes moved per year, each paying the \$5 fee.

In addition, the fiscal impact from enactment of this bill will depend upon the number of persons convicted of this offense and the resultant increased cost to local governments to confine such persons versus the increased revenues to local governments from fines levied and collected under the provisions of this bill. Therefore, the fiscal impact cannot be readily determined, but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
